

You're invited to a grand opening so big it takes a warehouse to hold it.

It's the Grand Opening of a new SAM'S Club. So come by and help us raise the roof. And find out why we say we're "in business for your business."

SAVE ON WHAT YOU SELL.

When you become a member of SAM'S Club, you can buy at incredibly low prices. Sell brand name merchandise to your customers. And still undercut your competition.

SAVE ON WHAT YOU USE.

At SAM'S you'll find more ways of saving money than you can shake a forklift at. Cut your office overhead by buying everything from computer paper to coffee.

GET A JUMP ON THE COMPETITION.

You can join at the Grand Opening celebration. Membership applications will be available. So bring your business license or tax I.D.

AND HAVE A GREAT TIME.

Marvel at incredibly low prices on name brand, listen to national TV entertainer/ violinist Jana Jae, and enjoy tours and complimentary refreshments.

It's fun, it's informal and it could be a big help to your business. So if you'd like to enjoy big savings, join the club and the party. And tell 'em Sam sent you.
